I understand. I might hear today whether the morning of June 25 would work. Otherwise we'll revisit this (b) (6).

Hello,

David (b) (6)'s tough to reach right now. Unfortunately we started this scheduling conversation shortly after he left (b) (6). We'll just have to wait until he is available to respond. We may need to look for time a bit farther out on our calendars, I'm afraid.

Thank you.

Ted, could you verify – you're not available the afternoon of June 19? Your calendar shows you're free.

We can scratch June 26 off the list. Jennifer, John at Wood is waiting to hear from David Blount.

Hi, All. I'm still waiting to hear back from Wood (consultant to facility owner, Container Properties) about a meeting date. I had given them the windows of times Elly gave below. Please hold those time as best as possible, thanks.

Jennifer – not sure where the holdup is (Wood, CP?), but I've been trying to get this scheduled for more than 2 months now. If it goes on much longer I'll be calling you to talk about it.

I'll also schedule a pre-meeting for the 4 of us.

Jennifer just confirmed that she probably can do June 19/25/26 but definitely not June 27/28. She also suggested we include Ted, since we will be talking about timing and coordination for work on the tideflats.

So, Elly and Ted – please confirm your availability for a two-hour, in-person meeting on:

Wed June 19 after noon

Tues June 25 before noon

Wed June 26 before noon

Thanks,

J

Hi Jennifer and Elly,

Due to scheduling constraints I'm having much difficulty getting an in-person meeting scheduled with Container Properties, their consultants, and their attorney. We're now looking at end of June. The meeting will be at EPA. It appears that you might have the following blocks of time available on your calendars, with some "tentatives". Please confirm your availability:

Wed June 19 after noon

Tues June 25 before noon

Wed June 26 before noon

Thurs June 27 until about 2 pm

(Fri June 28 – Jennifer, marked as working elsewhere - possible for you to be available in person?)

Thank you,

Janette
